DAY USE LOCKERS

UNLOCK COLLABORATION

Spacesaver's Day Use Lockers help create a versatile environment that sparks innovation. We can help achieve your design goals for any space, whether you're designing spontaneous meeting areas, or dividing up large rooms to encourage privacy and social distancing, or turning blank walls into attractive and functional storage.

With a variety of design options and expert space planning insights, we offer everything you need to **unlock the creative potential** of everyone who uses your space.

WALL PARTITIONS

 = WALL PARTITION

Lockers configured as partitions help define smaller work areas within open spaces while also adding storage capacity. Mix and match sizes for a variety of storage options.

Define new spaces with:

- Day Use Lockers
- Magnetic Whiteboard Surfaces
- Interactive Media Options
- Branded Colors and Trims
- Seating Options

ROOM DIVIDERS
Divide open spaces into task areas for small-group meetings or heads-down work.
